

Discussion topics

- Standard harmonization and mapping
 - ISO15504 - CMMI - 26262 - AUTOSAR - IEC661508
 - System Engineering coverage
- Model-based SW development
 - Is (will) it (be) addressed by Automotive SPICE / CMMI?
- SPI
 - High initial costs (tools, training, ...) -> how to measure/forecast the ROI?
 - How to harmonize/integrate tools?
