

# Discussion topics

- Standard harmonization and mapping
  - ISO15504 - CMMI - 26262 - AUTOSAR - IEC661508
  - System Engineering coverage
- Model-based SW development
  - Is (will) it (be) addressed by Automotive SPICE / CMMI?
- SPI
  - High initial costs (tools, training, ...) -> how to measure/forecast the ROI?
  - How to harmonize/integrate tools?
